MEMORANDUM FOR: Director of Central Intelligence
FROM : Deputy Director for Intelligence
SUBJECT : OGI Research Program

10 DEC
1982

1. I have reviewed with [] OGI's 1983 research plans in light of your comments and questions, and we have made adjustments that I believe will fill in the gaps you identified. In some cases, we had already intended to proceed along lines you indicated; more often, however, we have added new projects or adjusted the focus of planned papers to address your concerns more directly.

4. People outside of academia with knowledge of counterinsurgency. We agree that there are people outside academia with extensive counterinsurgency experience, and we have actively sought to utilize their expertise for the Instability and Insurgency Center's projects. Many of the Center's officers are Vietnam veterans with counterinsurgency experience. One analyst, [] has had extensive counterinsurgency experience in Malaysia and Palestine. We soon expect to hire a former US Army colonel who has had counterinsurgency experience in Peru and Vietnam and who has a
